The double boxes were intensional, specifically put there in case someone was doing 2 things, like planning section chief for Soudelor and on phones.

Weden was on response next week and Harry said he'd take that, along with my Sat and Sunday so I can deploy early to saipan.

Marty's return is 8/19, Chris is going to stay longer, until 8/28.

Maggie is going to Farmington and right now doesn't have a valid passport.

All the stuff in that sheet is correct for those it's filled out for, except Shane and Musante who I got 3rd hand info about.

If I'm not helping, just say so. There are other things I could be doing.

Changed up Michelle's spreadsheet little (mostly just size, etc). – as Michelle said – don't hate!

Still waiting for confirmation that Harry is taking Weden response duty next week and if he can switch a phone duty week for me. Found some troubling (not updated) entries in LN Duty Calendars but have reconciled on this spreadsheet and had the changes made in LN too.

I do not know when Marty/Chris returning or if they are next week, why so soon? Maggie is a maybe for deployment to Saipan as needed and have not been able to reach anyone else. Will continue tomorrow.

Dan Shane., Marty Powell and Brett Moxley (along hopefully with me in mid-September) look to be the most open for new or additional Saipan deployments according to the schedule as stands. Randy's Navajo (colored brown) I assume is for non ER work and maybe this will be postponed in favor of Gold King priorities?
